

Chairman's Report

As the current Chairwoman of Mobberley Parish Council I am pleased to Chair this year's Annual Parish Meeting, which is an opportunity for our parishioners to raise any matter they wish in relation to our Parish.

We have had a good outcome for the Traveller Site, which is now vacated, and we will pursue next steps to return the land to normal.

We have completed our Community Resilience Plan and made good progress with the Neighbourhood Plan.

The leases at the Rajar Building have been consistent and Love the Dentist have agreed to take some further space when the Family History Society give up one of the rooms the lease.

Cllr Swan and the Parish Ranger have been repairing and replacing stiles throughout the village and will continue to do so with the support of the stile kits provided by CEC.

The Rajar Building main hall has been renovated with a new floor, fresh cost of paint and new lighting. This is now a great space for the community and should help to raise income to support the Rajar Building and its continued maintenance.

The village has seen the Coronation of King Charles this year. As a council we catered for all ages across the Parish, starting with a Royal Tea Party for the Senior Citizens, a Royal Knees Up for anyone who wanted to attend and finally a Coronation Orienteering session for the younger generation. All events were welcomed and well attended.

The Mobberley Parish Council have added a further 2 defibrillators to the village. We now have a total of 6 defibrillators spread across the village. These have been welcomed and will help save lives. We are continuing to add to the earmarked funds for a new kitchen in the Victory Hall to help enable and support growth of the events on offer. We are also continuing to add to the earmarked funds for a new path on the community meadow to allow more access to people with prams, wheelchairs, and any other disabilities. There are also several smaller initiatives / improvements being carried out throughout the village, so keep a look out for anything new.

One of the biggest changes over the past year is the revamp of the Events Committee. The Events Committee now holds regular events such as Bingo, Book Club, Dog Walking Group and more. The Events Committee have also hosted several one-off occasions with great success. The Pie and Pint night to celebrate National Pie week was a huge success along with a Halloween event and a Christmas Lights Swich On. We managed to raise over £1300 for Young Lives Vs Cancer.

Another success this year has been the setup of the station volunteering group. Mobberley station us now looking much tidier and will continue to do so as the new planting and bulbs flourish.

I would personally like to thank all the councillors for their continued support and look forward to seeing what this year will bring and how we can continue to improve our village

Thanks Hannah Moss
