Mobberley Parish Council Update

For those of you who have not already heard, the Broadoak Inquiry has concluded, the appeal has been dismissed and planning permission has been refused. We would like to express our sincere thanks to Cllr Leach, Cllr Gilks and all the team for all the hard work that they put into this inquiry.

As the council year draws to an end we have had our internal audit results back and we are pleased to announce we have zero recommendations! This is a fantastic result and we are very thankful of our Clerk Kate for all her hard work this year.

The jubilee celebration plans are well under way, please see the double page spread for more information about this fun filled family weekend we have planned for the village.

We have had an enormous response to the Neighbourhood Plan questionnaire and we are now ready to move to the next phase of the project.

We seem to have a continued litter problem on the Ilford Playing Field, please can everyone remind children to not drop litter and help keep our village clean.

With thanks, The Chairwoman

Mobberley Community Speed Watch Scheme

Are you tired of watching the vehicles speeding through our village? Would you like to help make a difference? The Parish Council operate a Community Speed Watch Scheme but we need more volunteers to record those people who have complete disregard for the 30 mph signs displayed throughout our village. At present, we only have a small team of volunteers so we need more help please. If you would be interested in getting involved please email Viv at v.pike@mobberleyparishcouncil.co.uk who will organise a brief training session with Emma, our PCSO, and then we can spring into action. You can volunteer for as much or as little time as you can spare but it will make a difference so

Meet our Council

Karen Baker

I've lived in Mobberley for over 9 years, having moved here from Knutsford, but I was born in Lymm, so not too far away.

You may have seen me around the village with Jessie, who I borrow, for walks, from Dave at Ark Vets.

I really loved how our lovely village came together in lockdown, it made me very proud to be a Mobberleyite (OK, I know I haven't really lived here long enough). I spent a lot of lockdown enjoying walks around Mobberley and I realised just how lucky I am to live in this beautiful place with these wonderful people. So, when a position became available on the Parish Council, I decided to apply. That was the end of 2021 and I'm now on 3 committees: Village Pride, Amenities and The Neighbourhood Plan Working Group (the one you filled in the questionnaire for, thank you!).

At present I'm between jobs and training in Project Management, but for over 13 years I've been a hypnotherapist helping people overcome challenges.

I'm sure that some of you will have noticed the new benches that have gone up around the village. These have been fitted with thanks to the Manchester Airport Community Trust Fund. We would like to retain it on a bench and let the family know that the plaque is going to be retained. Help for Ukraine' project partnership with Ukraine Zone / Mobberley Methodist Church

The entire congregation led by Bob Marshall and supported by our Minister Rev Sue Swires pledged to help agencies in Medyka, Poland, on the border with Ukraine. The list of urgent aid included baby clothes, radios and satellite phones being the most needed. Mobberley Methodist Church and the community responded like never before, instantly we received offers of help and within a week we had over 800kg of aid ready to go. Our lovely congregation, friends and neighbours pulled together, packed, labelled and stored over 100, 100 litre bags full of assorted items. The first mission is now complete, our Ukraine families are now with their sponsors in the UK. Plans are already in place to make a second trip.

Mobberley Primary School

Ukraine Fundraising

Children at the school have been deeply shocked and moved by the recent events in Ukraine. In trying to understand the awful event, pupils of all ages have felt a strong compulsion to help and have set about ways to fund-raise. The children have been so inventive in their ideas – we have had children making wristbands in blue/gold, making bookmarks, penalty shootouts, selling keyrings and even enlisting brave souls to identify mystery items in boxes (a squashed Kiwi fruit being one such item!)

The children have done really well to raise awareness and to do something practical to help those in need. We are extremely proud of them all. Parents have very much been on board with these actions in helping to prepare games and by donating very generously to the activities. Well done to everyone involved.

It is looking likely that Mobberley School will receive at least one Ukrainian refugee child after the Easter holidays. We stand ready to provide a very warm welcome to this family. Those of you who know the school history will know that it is not the first time that the school has taken in refugee children during wartime. Last time it was children from Manchester to avoid the bombing in WW2.

This time round, we may have a few language barriers but, thankfully, big smiles are a universal language. I have no doubt the children and the families at the school, as well as the local community will provide a great

welcome.

Karen Smart, Managing Director of Manchester Airport, said:

“After almost two years of closure, it is a positive step forward on the road to recovery to be able to reopen Runway Two.

“It’s a clear sign of the pent-up demand there is from our passengers and the eagerness to travel now restrictions have been eased further.
