On Saturday 18th June 2022 we are celebrating 100 years since our first Rose Queen, Lily Green, was crowned. To commemorate this, and the lovely village tradition we have all enjoyed, we would like to invite all of our past Rose Queens to come on a float that will be part of the procession around the village.

Please contact Kathryn Britland on 07725164807 if you are available to come and celebrate 100 years of this lovely tradition.

The Mobberley Football Club is becoming ever more popular in the village on a Saturday morning. The Club is recruiting for new players to join the amazing Under 11 team.

It is great to see the community pulling together as a committee to help find homes for the Ukrainian refugees. Please support them where you can. Further information is within the newsletter.

Thanks very much to Rob McGillivray for cutting the hedges around the back of the Co-op, your continued support to the village is much appreciated by Mobberley Parish Council.

Thank You's

Mobberley Parish Council would like to invite you, your family, friends & neighbours, to join us in the fun and games of these community outdoor events.

Our amazing community have really pulled together yet again. The provision of these events would not have been possible without the generous support of many wonderful local organisations and volunteer residents, along with a grant from the National Lottery Community Fund.

We hope you can attend and enjoy one, or all, of these events, supporting local businesses and cheering on budding talent.

All events are free to attend, we would like to take something tangible forward (in addition to lovely memories of a fun weekend) therefore, collection boxes will be available at all venues, in the hope of raising much needed funds to provide 24 hour access defibrillators around the village. We do hope you will consider donating what you can towards this life saving cause.

The Queen's Platinum Jubilee

WE live in historic times as Her Majesty Queen Elizabeth II becomes the longest serving monarch in English and British history. There are a number of events going on around the village to mark this occasion and our celebrations will conclude with a service of Songs of Praise at St. Wilfrid's Church on **Sunday 5th June at 6.30 p.m.** This will be a collection of hymns and readings that reflect on her long reign and her sense of duty over 70 years. Do come and join us.

Pentecost & Trinity

In June we celebrate the Festivals of both Pentecost and the Holy Trinity. At Pentecost we recall the sending of the Holy Spirit upon the disciples and the birth of the Church whilst

on Trinity Sunday we give thanks for the revelation of God as three persons, Father, Son and Holy Spirit. This teaches us that at the heart of God there is a community of love that binds all things together in unity.

The celebration of Trinity Sunday will also be our June All-Age Service suitable for the whole family.

Mobberley Primary School

The children at Mobberley school have returned rested after a lovely Easter break. Reception children had an animal wow day to launch their new topic. They had their faces painted, made animal biscuits and listened to lots of stories and had lots of fun! Year 1 pupils have enjoyed a visit to St Wilfrid's Church as part of their R.E. learning. They have been learning about the features of the Church and enjoyed spotting the font, pulpit and lectern amongst others.

Year 2 have made Earth Day promises. The children thought of ways to help the environment and made pledges. In computing, they wrote algorithms. In one session, the children made lego models and then had to decompose the steps and write an algorithm so their partner could remake the model.

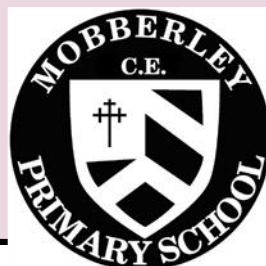

The children in Year 3 have been writing letters to Queen Elizabeth to celebrate her jubilee after learning about how to write an important, formal letter in their English lessons.

Year 6 have been working hard during their SATs week and we are very proud of them!

There have been many exciting sporting events over the last few weeks! The Year 3 and 4 team won the girls WFA football tournament beating 6 other schools and the Year 5 and 6 team won 3-0 at Manor park. Year 3 and 4 Tri golfers won bronze medals for their efforts at the Tri Golf tournament.

To support their well-being, various children from Year 4, 5 and 6 have been working in the school garden. They have been clearing beds, refreshing baskets and containers with new plants and compost and planting calendula seeds.

We are all looking forward to some sunny weather for our final few weeks of the academic year!

MANCHESTER AIRPORT

Following the easing of travel restrictions on 11th February, passenger numbers continue to grow at Manchester Airport. To allow for the additional flight movements, the airport is set to reopen Runway Two from **Tuesday 5th April**.

Initially it will operate for a limited number of hours each day and will gradually increase as the demand continues to rise.

Karen Smart, Managing Director of Manchester Airport, said:

“After almost two years of closure, it is a positive step forward on the road to recovery to be able to reopen Runway Two.

“It’s a clear sign of the pent-up demand there is from our passengers and the eagerness to travel now restrictions have been eased further.

Christian Aid

Christian Aid week 2022 May 15th to May 22nd

Christian Aid like many charities is struggling due to Covid 19. Just as their partner organisations in third world countries are struggling due to lack of vaccines, crippling national debt and fire, flood and drought caused by climate change.

Social media and online platforms have taken over from house to house collections and is our means of communicating our message.

We are holding a sponsored sleep out and prayer vigil bearing witness to those less fortunate than ourselves.

Nick Eadie will be camping out on the lawn at the church for the week. Please support his personal fund raising attempt, pop along in the evening if you are passing and show your support for his great effort.

Please give generously for this cause, go to this link to donate.

Your Farmers need your help!

Did you know that dog poo has an infectious disease called Neosporosis in it, which can cause cattle to abort? This year there have been a number of cattle harmed by dog's faeces that has infected what is ultimately their food, whether it has been grazed or cut for silage. Dog poo needs to be picked up and disposed of where it cannot become part of the food chain.

On our farm alone, 4 of our cows have lost their pregnancies and have tested positive for neosporosis so far. It is very sad as we care deeply for our cows and it takes years of hard work and breeding to ensure a quality herd. However, once they have neosporosis, cows can no longer be used for breeding as this infection can be passed on to their young.

Since we have learned of these 4 cows, we have discovered that we need to test the rest of the female herd at huge cost to the farm, which is far from ideal.

This is just one of the many reasons why it's so important to stick to the signposted footpaths and keep your dog by your side, so that you can see when they poo and pick it up. Ensuring you stick to footpaths also significantly reduces damage to crops and grass (which is a crop). Hundreds of people may use a footpath each day and you would be amazed by how much damaged can be caused to non-designated land.

Personally, I love to see people enjoy the countryside and I am always willing to answer questions or discuss this issue in more detail. In fact, farming can be a very lonely job so you may give me a well-deserved break. To most, a field is a field, but to us it's our livelihoods and we would appreciate your help in reducing infections in cattle and damage to our crops. Many Thanks Ian Norbury Mobberley Angus
