Mobberley Parish Council Update

What a month June has been. We have celebrated the Queens Platinum Jubilee with an array of activities and events over the Jubilee weekend. A special thanks to our Village Pride committee, headed up by Sally Kendall, our clerk Kate, and all the local clubs, societies and businesses who were involved in the events.

June also saw the Rose Queen celebrate its' 100 year anniversary with many past Rose Queens taking part in the event. I would like to pass on a huge thank you to the Rose Queen committee for organising this historic event.

There has been discussions around whether, as a village, we can utilise the equipment used for the Rose Queen to host a further village celebration each year. With this in mind, the Council are going to look to host a revamped civic event next year, more details will follow.

I would personally like to say a massive thank you to Rob McGillivray for cutting the hedge where the footpath is at the entrance of Oldfield Drive. The lady who owns the property was sadly unable to do it this year and Rob did it without hesitation.

The Parish Council, and myself, would like to wish everybody a fantastic summer of happiness and enjoyment. The Council will be in recess until September when we will be back in full flow.

We are now taking applications for grants for local community groups for the next financial year. The deadline for applications is the end of September. Please email Kate at clerk@mobberleyparishcouncil.co.uk to request a grant application form.

Hannah, the Chairwoman.

Mobberley Jubilee 2022

Jubilee Football Tournament

On Saturday 4th June the Mobberley Junior Football teams took their turn to put on a show as part of the Jubilee celebrations with 2 friendly football matches followed by a traditional end of season Dad's v Lad's game on the Ilford playing fields!

First it was the turn of our under 7's and Under 8's to take to the field playing against each other in mixed teams - "The Queens Guards" v's "The Crowns"... Both sets of players put on a brilliant show with the "Crowns" winning the game 8-2 but what an amazing performance from all players with some goals being worthy of 'Match of the day'!

Next, it was the turn of the under 9's and under 10's, again playing in mixed teams as "The Royals" v's "The Corgi's". A brilliant closely contested match saw the "The Royals" win the game 2-0.

Finally, it was the turn of the Mobberley coaches and Dad's to go up against the lads! Whilst it's fair to say the lads outnumbered the dads by a ratio of 2:1 it was the Dads that went into the half time break with a 2-0 lead! Playing uphill in the second half the lads never gave up and against the will of some determined dads the lads managed to draw the game level at 2-2 with the very last kick of the game! Well done, lads!

MJFC, would like to thank the Parish council for their support and trophy presentations on the day and special thanks to the Referee Louis who officiated both main games brilliantly. We would also like to thank all those in attendance, especially all the coaches who made the day happen. Finally special thanks to Matt Hill and Lee Hargreaves for helping to prepare the pitch and Kim Hill for the fabulous refreshments provided on the day.

Thank You

A huge team effort was involved in putting on the week-end of Jubilee events. Mobberley Parish Council would like to pass on their thanks to the following:

The National Lottery Community Fund and Edgar Brothers for their generous funding.

Volunteers from:

Mobberley Parish Council, Mobberley Methodist Church, Saint Wilfrid's Church, The Beacon, Mobberley Cricket Club, Mobberley Youth Football Team,

Donation of prizes from:

Jet2, Manchester Airport, Mobberley Coop, the Jubilee Beacon provided by: the Royal Institute of Chartered Surveyors.

Support from local businesses:

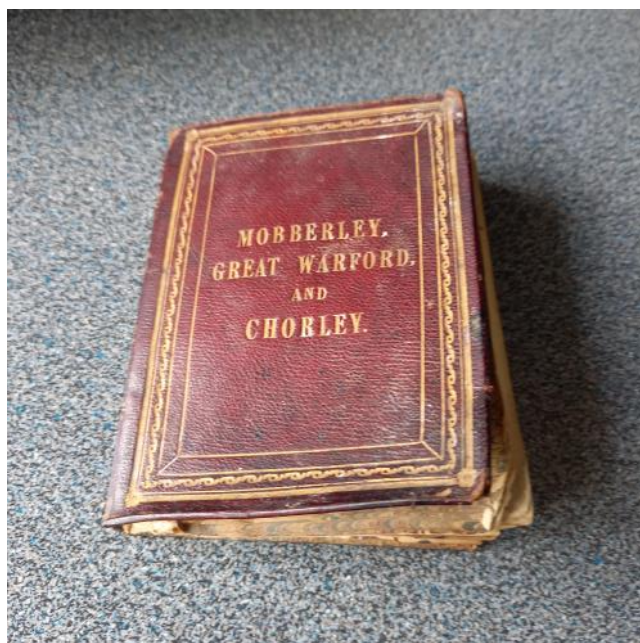

Mobberley pubs and clubs, Mobberley Window Cleaners, Heddy, Sister Barista, Mobberley Ice Cream.

MOBBERLEY, GREAT WARFORD AND CHORLEY

An unusual (small) book dating to 1848 has come to light after Veryan Leycester-Roxby found it in some of her father's papers in Toft. It measures only 4" x 3" but is titled 'PLANS AND REFERENCE TO THE ESTATE OF RALPH GERARD LEYCESTER, ESQ'. It comprises 27 plans for each of the properties owned by the Leycester family at that time, mainly in Mobberley but also Chorley and Great Warford. It is not in very good condition although the pages which show in detail the map of each property and its fields alongside a list of their 'Quantities in Statute Measure' as well as 'Cheshire Measure' are clear, albeit in miniature.

Ralph Leycester of Tabley came into the possession of Toft Hall in the 14th century through marriage and the Leycester family became significant landowners in Mobberley. The Cheshire Tithe Maps from the 1830s (free to view on-line) show Ralph Gerard Leycester as one of the four significant owners of land in Mobberley, the other three being the Peter Legh of Booths (mainly the southwestern part), Wilbraham Egerton of Tatton (mainly the north-west) and the estate of the late Thomas Wright.

Over the years the Mobberley properties have been sold off and Veryan manages what remains of the Toft Estate. But in 1848 amongst the nineteen Mobberley properties and their surrounding fields were Town Lane Hall and much of the fields and properties along the north of Town Lane, the Roebuck and its surrounds, Grimsditch Farm in Damson Lane, Smith Lane Farm and much of the land to the east of Smith Lane, Heald House (now Wee Bridge Farm off Slade Lane), Owen House Farm, Woodend, Stockinghey, Hollin Gee on Burleyhurst Lane, Lindow House at the end of Paddock Hill and several parts of the Paddock Hill area.

Veryan inherited the estate from her father Edmund Leycester-Roxby who in had also inherited from his uncle Cyril Leycester Maude Roxby who died in 1942 and in turn from his uncle Rafe Oswald Leycester who died in 1929 having no children.

The plan is to look at restoring the book or at least halting its deterioration and scanning the pages to make them available on-line for those interested of which more in the Parish Newsletter in future.

The Mobberley Trust

We have been hearing a lot over the last few months about the rising cost of living and the impact that is having on the most vulnerable in our society. If you are struggling, then perhaps the Mobberley Trust can help.

The Mobberley Trust exists to support Mobberley residents who are struggling financially. Although we cannot offer long-term aid, we can make grants for one-off payments. In the past we have assisted people by –helping elderly/infirm residents clear gardens that have become overgrown. paying to replace fencing and gates that are no longer fit for purpose, buying specialist medical equipment, supporting people with the cost of retraining and education courses. Supporting the cost of school trips.

In addition, the Mobberley Trust can also offer grants to group that help nurture and promote the Mobberley Community and in the past the Mobberley Trust have made donations to the Scouts, the Friends of Mobberley School and the Mobberley Rose Queen Committee.

If you are a Mobberley resident and need financial assistance then please contact the Mobberley Trust and we will do our best to help, it is what we are here for.

To get in touch please call Mr. Mike McDonald on 873145 or the Rev. on 873218 Ian Blay on 873218.

Mobberley Primary School

This last month at Mobberley Primary School has seen some unusual yet exciting events!

We were honoured to be chosen by the BBC to film their Jubilee episode of Newsround. The television presenter De-Graft asked children from a range of year groups how they were going to be celebrating the Jubilee. He also asked questions such as, "Why should we celebrate the Queen?" and "What would you do if you were Queen for the day?" The children loved watching themselves on TV and felt like mini-celebrities for the day!

To celebrate the Jubilee, all children had a picnic on the school field with sandwiches and cakes. They wore red, white and blue, waved flags and played games. Each class also took part in an Art competition with other local schools to produce work inspired by the Queen. The winning art pieces were displayed in an art gallery at Egerton Place in Knutsford.

MANCHESTER AIRPORT

Following the easing of travel restrictions on 11th February, passenger numbers continue to grow at Manchester Airport. To allow for the additional flight movements, the airport is set to reopen Runway Two from Tuesday 5th April. Initially it will operate for a limited number of hours each day and will gradually increase as the demand continues to rise.

Karen Smart, Managing Director of Manchester Airport, said:

“After almost two years of closure, it is a positive step forward on the road to recovery to be able to reopen Runway Two.

“It’s a clear sign of the pent-up demand there is from our passengers and the eagerness to travel now restrictions have been eased further.

Notification of Runway Closure 2022

As you may be aware, our existing Runway, Runway 1 (05L/23R) is our primary runway and has been used solely for operations during the Pandemic where we have been operating with severely restricted aircraft movements.

Each year maintenance work is required to maintain Runway 1, the most used runway, and its’ adjoining taxiways. We publish dates of the nights when Runway 1 will be closed;

July 5th to 7th, 22:30 – 6:00

August 2nd to 4th, 22:30 – 6:00

September 6th to 8th, 22:30 – 6:00

October 2nd to 6th, 22:30 – 6:00

November 1st to 3rd, 22:30 – 6:00

December 6th to 8th, 22:30 – 6:00

CHRISTIAN AID

A big thank you to all who contributing to Christian Aid week this year. At the time of writing we have raised £797. It is not too late to contribute if you have a mind to do so. Please go to the Mobberley Methodist Church website, to the home/facebook page and click on the link to be found there.

As well as supporting the Ukraine refugee appeal Christian Aid are focussing this year on the climate crisis in Zimbabwe. Life is getting harder for vulnerable communities. Droughts can last up to 3 years and families are going hungry. Please have compassion for those who have contributed the least to this climate disaster.

Nick Eadie – Mobberley Christian Aid Group

COMMUNITY ORCHARD UPDATE

At the time of writing, the orchard is looking at its best with lots of colourful wild flowers. The yellow rattle which is semi parasitic on grass is out competing the grasses and allowing other wild flowers to flourish. It was great to see so many people, especially the children, in the orchard for the Jubilee Treasure Hunt. I think that they would all agree that Mobberley community Orchard is a beautiful spot to sit, walk, play or work in. Barring drought, fie or late frosts, we should have a reasonable crop of apples this year. If you would like to get involved please contact Nick Eadie (872306) or come along to one of our work parties on the second Saturday of each month from 9am -12noon armed with stout boots and gloves. Now that the orchard is well established, we need to think ahead a bit!

I am thinking.....

Volunteers to share mowing of paths?

Possible extension of land used for cultivation e.g more trees/soft fruit/other??

Apple day in the Autumn (perhaps the resurrection of the Mobberley

Wakes.....apple tasting, juicing, identification, growing advice, music and dancing!)??

Scything workshop/competition (think Poldark)??

Young blood to take over when old gardeners finally go to seed?

Photography/artwork?

Wildflower seed collection?

Your Farmers need your help!

Did you know that dog poo has an infectious disease called Neosporosis in it, which can cause cattle to abort? This year there have been a number of cattle harmed by dog's faeces that has infected what is ultimately their food, whether it has been grazed or cut for silage. Dog poo needs to be picked up and disposed of where it cannot become part of the food chain.

On our farm alone, 4 of our cows have lost their pregnancies and have tested positive for neosporosis so far. It is very sad as we care deeply for our cows and it takes years of hard work and breeding to ensure a quality herd. However, once they have neosporosis, cows can no longer be used for breeding as this infection can be passed on to their young.

Since we have learned of these 4 cows, we have discovered that we need to test the rest of the female herd at huge cost to the farm, which is far from ideal.

This is just one of the many reasons why it's so important to stick to the signposted footpaths and keep your dog by your side, so that you can see when they poo and pick it up. Ensuring you stick to footpaths also significantly reduces damage to crops and grass (which is a crop). Hundreds of people may use a footpath each day and you would be amazed by how much damaged can be caused to non-designated land.

Personally, I love to see people enjoy the countryside and I am always willing to answer questions or discuss this issue in more detail. In fact, farming can be a very lonely job so you may give me a well-deserved break. To most, a field is a field, but to us it's our livelihoods and we would appreciate your help in reducing infections in cattle and damage to our crops. Many Thanks Ian Norbury Mobberley Angus
