Mobberley Parish Council Update

A sad time for our country, the commonwealth, which includes 56 countries on 6 continents and the wider world.

Her Majesty Queen Elizabeth II is the only reigning Monarch many of us have only ever known. Her guidance and unwavering support had been the backbone of Great Britain for over 70 years. Many of us have looked to her for the assurance everything will be ok and the will to move forward. Her love of horses and dogs displays her kindness and compassion as a human and is something we will always remember.

As a woman in the working world, I have the utmost admiration for our Queen. She has clearly demonstrated true grit, determination and above all, the strength to keep going even through some of the toughest and saddest times. Even in the days leading up to her death, she worked to serve her Country and didn't stop.

Your Majesty, you are a true inspiration to all.

May you rest in peace with your beloved Prince, the Duke of Edinburgh

All at the Parish Council would like to express our thanks to Sally Kendall for the work that she has done in the village over many years as a councillor. Sally has left the Parish Council to concentrate on her event dressing business, Events Lane. We wish her all the best.

The latter end of the year is a great opportunity for the council to focus on their chosen charity to raise funds for. This year our chosen charity is Young Lives Vs Cancer. Cancer doesn't discriminate and will affect approximately one in two people, which includes children. Whilst the advance in medicines can lead to a cure in childhood cancer, children and their families treasure the support from charities such as Young Lives Vs Cancer. We are sure you will support the Parish Council in the events that we have planned and in the sale of the 2023 Mobberley calendars.

The Parish Council are already making plans for Christmas. Mobberley is going to have a Christmas lights switch on with carols round the village tree, Santa and his elf, and a Mobberley Bake Off competition. More details to follow in the November newsletter. If any local businesses would like to sponsor the Christmas tree this year please get in touch with Kate at clerk@mobberleyparishcouncil.co.uk

The Parish Council wish to send their best wishes and sympathy to Pauline Norbury's family at this sad time.

Hannah, the Chairwoman.

YOUNG LIVES

Halloween Charity Fundraising Event

Young Lives Vs Cancer is the Parish Council's chosen charity to support this year. We have an exciting fundraising event planned with a Halloween theme. We would love for families to join us to raise money for this worthwhile cause.

When: Friday 28th October—6pm to 8pm
Pumpkin trail to start from 5.45pm at the Church Inn

Where: Mobberley Cricket Club

Cost: £8 for an adult, £6 for children, to include fish and chip supper, Halloween fun and games, pumpkin trail.

Fancy Dress: Mandatory for the children, optional for the adults.

Drinks and Halloween punch will be available from the Cricket Club Bar.

To purchase a ticket please email Kate at clerk@mobberleyparishcouncil.co.uk with your food order of either fish and chips or sausage and chips. Kate will email you with the bank details to make a payment.

The event will start with a pumpkin trail from the Church Inn to the Cricket Club. A free glass of punch will be served on arrival at the Church Inn.

There will be a pumpkin carving competition. Please deliver your carved pumpkins by Wednesday 26th October to be entered into the competition.

The pumpkins will then be used to decorate the Cricket Club.

We are also holding a spooky cupcake competition. Bring your Halloween themed cupcakes along on the evening for judging and sharing with friends and family.

We look forward to welcoming you and raising as much as we can for Young Lives Vs Cancer.

The Mobberley Trust

We have been hearing a lot over the last few months about the rising cost of living and the impact that is having on the most vulnerable in our society. If you are struggling, then perhaps the Mobberley Trust can help.

The Mobberley Trust exists to support Mobberley residents who are struggling financially. Although we cannot offer long-term aid, we can make grants for one-off payments. In the past we have assisted people by –helping elderly/infirm residents clear gardens that have become overgrown. paying to replace fencing and gates that are no longer fit for purpose, buying specialist medical equipment, supporting people with the cost of retraining and education courses. Supporting the cost of school trips.

In addition, the Mobberley Trust can also offer grants to group that help nurture and promote the Mobberley Community and in the past the Mobberley Trust have made donations to the Scouts, the Friends of Mobberley School and the Mobberley Rose Queen Committee.

If you are a Mobberley resident and need financial assistance then please contact the Mobberley Trust and we will do our best to help, it is what we are here for.

To get in touch please call Mr. Mike McDonald on 873145 or the Rev. on 873218 Ian Blay on 873218.

Mobberley Women's Institute

WI is meeting on 20th October at 2pm in the Methodist rooms, A talk on Wildlife in the North-west by David Brotton. Run by women, for women of all ages and abilities, you are welcome to join us.

INSPIRING WOMEN

Her Late Majesty Queen Elizabeth II

It was with supreme sadness that, on the 8th September, we received the news of the death of our beloved Queen Elizabeth. The following day a bell, fully muffled, was tolled at midday and I would like to thank Ray Britland for his assistance in that.

The death of the Queen obviously meant the elevation of our new King and so the flag was returned to full mast on the Saturday and there was a peal of bells from 4.00 p.m. which followed the official proclamation of our new King Charles III.

From the next day the bells were again fully muffled and the flag lowered to half-mast where they remained until her funeral. I would like to thank our Flag Captain, Mike Boalch, for his assistance in this.

In addition to the above we held a service of Prayer and Reflection on the evening of the 9th September and a Commemoration Service on Sunday 11th. We pray now for our new King, that under his reign truth and justice, harmony and fairness, will flourish. God save the King

Harvest Festival

Our Harvest Festival takes place at the start of October. We begin with our **Harvest Supper** which will take place on Friday 30th September at Mobberley Cricket Club from 7.30 p.m.

On the 1st October the church will be open for our Gift Day. The church will be decked in all its Harvest finery so take this opportunity to join us. The **school choir** will be holding a concert at 2.15 which will be followed by an **organ recital** by our Director of Music David Williams. At 7.30 p.m. there is a **Harvest Concert** by the Laurence Singers, tickets are available or you can roll up on the day, admittance for the concert is £10.

On Sunday 2nd we shall be holding our **Harvest Communion** service in the morning whilst at 6.30 p.m. we shall be holding our **Harvest Songs of Praise**. We welcome you to join us in giving thanks for all good gifts around us.

Messy Church

Our Messy Church meets on Saturday 29th October, 10 a.m. at The Beacon when we will be looking ahead to Remembrance Sunday and the need always to give thanks for what other people have given and done for us. All young families welcome.

Mobberley Primary School

Children have been welcomed back to Mobberley Primary School after a Summer of glorious weather!

They enjoyed a visit to St Wilfrid's Church for a 'Welcome Back Service' led by Father Ian, which included handwritten prayers read aloud by children in Year 2.

The new starters in Reception class have settled in well and enjoyed exploring their new classroom and outdoor area. They are beginning to learn the school rules and get used to the routine of each day.

Children in Year 1 have started their new topic all about toys in the past and have enjoyed comparing modern toys to their parents' and grandparents' toys.

Year 2 have been making animations using iPads during their Computing lessons.

They were challenged to use code to program an animal to move.

The Year 3 class have begun their History topic learning about the Stone Age and are looking forward to hearing more about how people lived before modern technology!

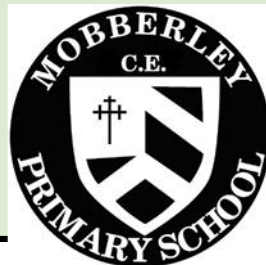

Children in Year 4 have started their Science topic about teeth and the digestive system and have lots of 'disgusting' experiments planned, one involving an egg!

The Year 5 class are going back in time to learn about the Ancient Mayan Civilisation. They have enjoyed gaining more responsibilities as one of the older classes in school and have been given Year 1 buddies to help with their reading.

Children in Year 6 have had their first outdoor learning session in Art, where they were challenged to draw the spirit of nature.

All classes have been asked to try and take more of their learning outdoors this year to develop a 'Green Curriculum', with children in the infants being the first classes to experience Forest School sessions.

We are all looking forward to a new year at Mobberley school and the achievements and challenges it may bring.

MANCHESTER AIRPORT

Following the easing of travel restrictions on 11th February, passenger numbers continue to grow at Manchester Airport. To allow for the additional flight movements, the airport is set to reopen Runway Two from Tuesday 5th April. Initially it will operate for a limited number of hours each day and will gradually increase as the demand continues to rise.

Karen Smart, Managing Director of Manchester Airport, said:

“After almost two years of closure, it is a positive step forward on the road to recovery to be able to reopen Runway Two.

“It’s a clear sign of the pent-up demand there is from our passengers and the eagerness to travel now restrictions have been eased further.

Notification of Runway Closure 2022

As you may be aware, our existing Runway, Runway 1 (05L/23R) is our primary runway and has been used solely for operations during the Pandemic where we have been operating with severely restricted aircraft movements.

Each year maintenance work is required to maintain Runway 1, the most used runway, and its’ adjoining taxiways. We publish dates of the nights when Runway 1 will be closed;

October 2nd to 6th, 22:30 – 6:00

November 1st to 3rd, 22:30 – 6:00

December 6th to 8th, 22:30 – 6:00

COMMUNITY ORCHARD UPDATE

At the time of writing, the orchard is looking at its best with lots of colourful wild flowers. The yellow rattle which is semi parasitic on grass is out competing the grasses and allowing other wild flowers to flourish. It was great to see so many people, especially the children, in the orchard for the Jubilee Treasure Hunt. I think that they would all agree that Mobberley community Orchard is a beautiful spot to sit, walk, play or work in. Barring drought, fie or late frosts, we should have a reasonable crop of apples this year. If you would like to get involved please contact Nick Eadie (872306) or come along to one of our work parties on the second Saturday of each month from 9am -12noon armed with stout boots and gloves. Now that the orchard is well established, we need to think ahead a bit!

I am thinking.....

Volunteers to share mowing of paths?

Possible extension of land used for cultivation e.g more trees/soft fruit/other??

Apple day in the Autumn (perhaps the resurrection of the Mobberley

Wakes.....apple tasting, juicing, identification, growing advice, music and dancing!)??

Scything workshop/competition (think Poldark)??

Young blood to take over when old gardeners finally go to seed?

Photography/artwork?

Wildflower seed collection?

Your Farmers need your help!

Did you know that dog poo has an infectious disease called Neosporosis in it, which can cause cattle to abort? This year there have been a number of cattle harmed by dog's faeces that has infected what is ultimately their food, whether it has been grazed or cut for silage. Dog poo needs to be picked up and disposed of where it cannot become part of the food chain.

On our farm alone, 4 of our cows have lost their pregnancies and have tested positive for neosporosis so far. It is very sad as we care deeply for our cows and it takes years of hard work and breeding to ensure a quality herd. However, once they have neosporosis, cows can no longer be used for breeding as this infection can be passed on to their young.

Since we have learned of these 4 cows, we have discovered that we need to test the rest of the female herd at huge cost to the farm, which is far from ideal.

This is just one of the many reasons why it's so important to stick to the signposted footpaths and keep your dog by your side, so that you can see when they poo and pick it up. Ensuring you stick to footpaths also significantly reduces damage to crops and grass (which is a crop). Hundreds of people may use a footpath each day and you would be amazed by how much damaged can be caused to non-designated land.

Personally, I love to see people enjoy the countryside and I am always willing to answer questions or discuss this issue in more detail. In fact, farming can be a very lonely job so you may give me a well-deserved break. To most, a field is a field, but to us it's our livelihoods and we would appreciate your help in reducing infections in cattle and damage to our crops.

Many Thanks Ian Norbury Moberley Angus
