## **Mobberley Parish Council Update**

Mobberley Parish Council meetings and Council Committee meetings take place at the Rajar Building. All the meeting agendas can be found on two noticeboards (one outside the Rajar Building and the other in Knolls Green), as well as on the Council's website at [www.mobberleyparishcouncil.co.uk](http://www.mobberleyparishcouncil.co.uk)

**Full council meetings are usually held at 7pm on the first Monday of the month, except August.**

**The May meeting will be held on Monday 13 May (due to the bank holiday). Committee meetings in May are as follows:**

**20 May – Planning Committee**

The meetings are open to the public and Mobberley Parish Council welcomes the interaction with its residents. If you wish to raise a question, please notify the Clerk three clear days prior to the meeting.

### **Invitation to join us for our Annual Parish Meeting on 13 May**

The Annual Parish Meeting is open to all to come along and hear about the work of the Parish Council over the previous financial year. This annual meeting not only provides an opportunity for residents to speak to councillors about the work they have carried out in Mobberley but also to suggest future projects to the Parish Council.

This year, we have a guest speaker who will be introducing the important work of the Lindow Moss Landscape Partnership. The presentation will highlight the important work the Partnership is doing to conserve, restore and interpret the wider Lindow Moss landscape for the benefit of nature, the climate and people. Much of this landscape falls within Mobberley Parish.

**The Annual Parish Meeting will take place at 7pm on 13 May at the Rajar Building. Refreshments will be served after the presentations.**

## Surgeries

Saturday 25 May – 11am – Mobberley Ice Cream Co., Church Lane

The Highways team have been out and repaired the damaged footpath on Church Lane after recent flooding led to severe deterioration of the pavement. The jetting work on Church Lane has also taken place. It will be a huge relief for residents to know the risk of flooding in the area of Church Lane will now be reduced.

Mobberley footpath 14 has had some of the old wooden stiles upgraded with kissing gate access. It's great to see our footpaths being made more accessible to people. A small win but a long way to go as a lot of our stiles need some attention.

Report an issue, concern or simply raise a query by contacting me through one of the below methods:

## Mobberley railway bench returns to the village

In May 2023, an old Mobberley railway bench was spotted at an auction in Withington. It turned out to have come from a clearance in Newton Hall Lane and had been in the garden of John Davies for 50 years. John moved back to his family home in Mobberley in 1958 and started what was meant to be a temporary job working as a surveyor in the Estates Department of British Rail. He retired from this 'temporary' job nearly 30 years later, in 1986. During the course of his career he managed the property and land owned by the railway from Carlisle to Crewe and across to Liverpool. Whenever a railway site was cleared, they would send everything to landfill, which John hated to see happen. So, he set about saving bits and bobs of interest, including a bench from Mobberley when the station was renovated in the mid 1970s. Thanks go to Nathan Davies, John's grandson, who lives in Mobberley and provided this information.

Having successfully acquired the bench at auction, the plan was to restore and return it to the station, where there is already a near-identical restoration in place. The bench is painted in the authentic colours of the Cheshire Lines Committee (brown and cream/stone). CLC ran the line until nationalisation in 1948. The bench may be around 100 years old. The railway came to Mobberley in 1862, but there was no waiting room until the Parish Council requested one in 1924. Whether there were benches on the platform before this isn't known.

Red tape inevitably got in the way of installing it at the station, so it has now taken pride of place outside the Rajar building. As you can see from the photos, it was in a pretty poor state. It required new wood and two new letters. Thanks go to 'Raffles' (anonymity preferred), who helped both financially and practically.

### MALLORY AND THE MOUNTAIN

A version of the stage musical of the same name, *Mallory on the Mountain* unfolds through flashbacks as George recounts details of his past to friend and fellow climber Andrew 'Sandy' Irvine each time the pair stop to rest. The play debuted to a sell out audience at the Lowry Theatre and there will be a one-off performance here at St. Wilfrid's where George's father was Rector.

## Mobberley CE Primary School

This month at Mobberley CE Primary School, some of the years 1 and 2 children took part in a football taster session at Knutsford Academy, where they enjoyed learning new skills, taking part in different games and working as a team.

On Tuesday 19 March, children from years 3, 4, 5 and 6 participated in a very exciting singing project called 'SINGFEST'. Run by our local music hub 'The Love Music Trust' in Cheshire East, the children had the opportunity to sing as a massed choir at a grand celebration concert, which was held at Congleton Town Hall.

Children in year 5 went on a school trip to the Manchester Science and Industry Museum, where they took part in a workshop where they worked together in teams to complete challenges using recycled materials. They also learnt about famous scientists from Manchester.

Our fantastic netball team continues its winning streak, having won its last two matches. The team finished the Spring term with a fantastic 6-1 win against Bex-ton Primary School. We look forward to seeing its continued success in the summer term.

We finished off the spring term with class popcorn parties for all our winning VIPs (children who show our Christian Values in Practice) and Mrs Julie Eadie also held an exciting quiz night in school for the PTA.

The Ethos team, led by Mrs Sarah Franklin, collected an amazing amount of Easter eggs for an extremely worthwhile cause: the Children's Adventure Farm Trust (CAFT). The eggs are to be used for its Easter Fun days for children across our local area who are in need. Representatives from CAFT will be coming into school in the summer term to do an assembly and show their appreciation. They will also come to work with our Young Leaders (Y6) and our Ethos team to raise awareness in the Children's Adventure Farm Trust.
